The Monthly Newsletter of Calvary Gospel Church

January
2011

The year 2010 was a great year here at Calvary Gospel Church with 255 people baptized and/or filled with the Holy Ghost.

Many off-site ministries are reaching souls who may never otherwise hear the gospel message. Those ministries include:

- College Church services held on the campus of UW-Madison one Sunday morning a month, with activities each Tuesday evening.
- Under the leadership of Rev. Ted

Krajewski, prison services and Bible studies at Oxford, Columbia, Oak Hill, Taycheedah, Dane County Juvenile Facility, and the Dane County Jail. (Forty people have been baptized.)

- Rev. Todd Ritchie's internet ministry, which has resulted in 380 overseas ministers accepting the oneness

doctrine and the new birth.

- Home Bible studies--some groups held at the church or in other locations and some individual studies. These are taught by many different individuals.
- Bus ministry – providing transportation for those who don't have any other way to come to church.

So what does the Lord have in store for us in 2011?

Pastor John Grant will discuss a vision and plan for 2011 during the Pastor's All-Church Bible study on Wednesday, January 5. Since this article was written before that, I talked to Bro. Grant about that subject.

The goal for next year is 300 souls. We will be focusing on expanded outreach, training leaders and ministers, and establishing

preaching points and extensions in the area surrounding CGC.

A leadership training seminar will be held once per quarter on a Saturday morning from 9 a.m. to noon. The teaching will utilize John Maxwell's 21 Irrefutable Laws of Leadership. Peter and Kasey Saindon will be leading this training. Another avenue of training is the Purpose Institute, a Bible college

that meets on weekends right here at CGC. Pastor John Seidl is the dean for our campus.

Bro. Grant will be meeting with the ministers in our congregation on a regular basis in order to work as a group in our outreach efforts and to offer guidance.

Bro. Grant also mentioned the

Profiles of Members of the FAMILY OF GOD

In 2011, we will profile our pastors and other ministers whom we have not yet done. We will then continue with other members of the family of God here at CGC.

Do you have someone you would like to see profiled here? Let us know. Contact any of our staff (see back of the newsletters for their names) or e-mail Ellen at erh2@centurytel.net.

“Our Own” Ashley (Thomas) Contreras is in the News!

Ashley Contreras, daughter of our own Pastor Rich and Sis. Peggy Thomas, has been in the news in the Walworth County area where she and her husband have lived since 2007. Ashley is employed by the Delavan-Darien School District as the community outreach coordinator.

Before her marriage to Jeff Contreras, who is now the pastor of the Delavan UPC church, Ashley worked with at-risk and low-income teens in Madison and found the Boys and Girls Club of America to be a good place for these children. According to a recent Walworth County Gazette article, Ashley “was shocked to discover how little there was for children in Walworth County to do outside of school. The situation in Delavan, she said, was even more eye-opening.” Ashley set out to establish a Boys and Girls Club in Delavan. An advisory council was formed, and Ashley is now on step six of a 10-step process to get a Club open in Delavan. Her successful efforts have been in the local newspa-

Pulpit Notes

Ten Steps to Conquering Moral Impurity

Bro. Grant recently preached on the ten steps to conquer moral impurity. They are:

- Begin a war you fully expect to win (Romans 1 and Proverbs 23:17-18)
- Replace the secret pictures in your mind with something wholesome
- Make a covenant with your eyes (Job 31:1)
- Let God's spirit be your most effective weapon
- Remove hidden provisions for defeat
- Have a bond of accountability
- Realize overcoming means many battles
- Learn to live in the fear of God
- Learn God's limitations to curiosity
- Use sensual thoughts as a springboard to spirituality

To hear Pastor Grant's December 5 messages (morning and evening services) in their entirety, order the CDs or download the message from CGC's Web site.

Cresie Haynes and Robert Scott were married at Calvary Gospel Church on December 18 in a unique ceremony that will be remembered by all who attended. Cresie's life is so full of special people, and she wanted them all to be a part of her special day.

Cresie's cousin, Latoya Coleman, was the Maid of Honor and Cresie's sister, Mary Pinex was the Matron of Honor. There were two Best Men, Mario Pinex and Robert's brother Timothy Scott. Markis Burks and Cresie's daughter, Jakiya Creamer, were the junior bride and groom.

Three "fathers" walked her down the aisle. Scott Leonardson, her spiritual father, began the trip down the aisle with Cresie. He handed her off to Calvin Edwards (Cresie's mom's fiancé), who then passed her to her father, Howard Haynes, near the altar.

The girls' praise dance worshippers, Endtime in Action, led by Lisa Burrell helped Cresie and Robert celebrate this special day.

Mr. and Mrs. Scott live in the Allied Drive area where they are very active ministering to children. Congratulations, Cresie and Robert!

Ministry Spotlight

New Life Classes

The New Life course is the first step to involvement at Calvary Gospel Church. These classes are designed to help those who have recently experienced the new birth and are part of the Steps to Ministry process. The classes meet on Sunday morning following the worship portion of the service in the sanctuary.

The first of the series of classes is **New Life 101**. It teaches about our daily needs and how to implement them in our own spiritual life. This class is taught by John Seidl with the assistance of Bro. and Sis. Mandley and Sis. Seidl. It covers:

- Prayer and Repentance - not a one-time experience, but a renewable necessity.
- Witnessing - the Lord's commission, spiritual reproduction.
- Bible Reading - the importance of daily Bible reading.
- Body of Christ - church attendance and fellowship.
- Giving and Receiving - how giving results in blessings.
- Ministry Opportunities - how to get involved, finding ministry opportunities.

New Life 201 is taught by Blake George with the assistance of Sis. George and Dave Punzel. It covers:

- The New Birth - the three steps.
- The Holy Ghost - the evidence of receiving it.
- Oneness - who is God?
- Spiritual Authority - what is God's plan?
- Gifts of the Spirit - how this affects you.

New Life 301 is taught by Glen Rossing with the assistance of Sis. Rossing. It covers:

- A 4-step plan for Christian growth.

- The Attitudes of Holiness - establishing in our hearts a foundation for further growth.
- The Principals of Holiness - establishing a broad base of scriptural principals.
- The Temple of God - concentrating on the more outward facets of holiness.
- The Tongue - how to deal with some of the difficulties in controlling our tongues.
- The Eye - how the influence of what we see can destroy our walk with God.
- Holiness in Adornment - the most misunderstood position.

In addition to these classes, which are taught during the Sunday morning services, Bro. Jeff Rossing teaches all three levels in succession on Wednesday nights for those who cannot attend on Sunday mornings.

Ideally, by the time a person has completed these classes, they will have become active in one of the many ministries that we offer at CGC. Some ministries require completion of all three levels while others require only completion of 101 with continued participation in 201 and 301.

I interviewed Blake George, instructor for Class 201 for eight to ten years (he couldn't remember how long) and recently graduated student, Noah Strand (who has moved on to class 301).

"Very rewarding," was the first thing that Bro. George said, and he went on to explain that his class takes everything that the new convert learns in 101 and breaks it down so that, when they are through with his class, they should be able to explain the

new birth experience to people they are witnessing to.

Noah Strand was very excited to tell me about the 201 class. He explained, "What impacted me about Bro. George's class was that he would not only teach the course, but he would also ask the students if there was anything they wanted to discuss, such as situations they were going through at the time. Then Bro. George would open the Bible and point out scripture that pertained to the situation and how the student could find all the answers they needed in the Bible." I commented, "Sort of like on-the-job training." Bro. Strand said, "Exactly!"

The New Life classes are more than just learning about the plan of salvation. They teach you a **new way of life** that gives you hope and comfort in knowing you have somewhere to go for the answers you need. It also gives you good news and hope to give to others. You couldn't afford to pay for the knowledge you will learn by taking these courses.

We're on FACEBOOK!

For some time, I have been bouncing around the idea of creating a Facebook page for CGC. When several outreach activities were scheduled earlier this year, the time seemed right to pose the idea... thus, began Calvary Gospel Church's Facebook page, **CGC Community Corner** (also called as CGC CC).

CGC Community Corner's focus is on outreach and building relationships within the community. It has a two-fold purpose: First – to communicate activities related to the community which are open to the public. Second, and what I believe to be a key component for the success of the page, to assist in building relationships along with providing a greater awareness of CGC within our community.

For those not familiar with Facebook, the following is a high level overview to provide some basis of understanding for Facebook. Facebook is a free social media application on the internet to which one may sign up. Once signed up, you may 'friend' people to stay in touch. You may write a note to a friend which is called a 'post.' A friend may also post to you. If posting a message to a friend, this gets written on what is called their 'wall,' so if someone goes to check their wall, they will see all the messages that people have sent them. Another important component of Facebook is what is called a 'news feed' which contains all posts given/received by a person's friends. Once you have set up a personal account, you may create what is called a 'page.' CGC Community Corner is a Facebook page.

As a general rule, types of activities posted on CGC CC will fit into one of the following categories (and sometimes an activity/event fits into multiple categories). Included are a

few examples and these are in no wise all encompassing:

►CGC Onsite Options (classes/services):

- Single parenting class
- Marriage enrichment class
- Special services (i.e., Christmas, Easter, etc.)
- Voces Unidas

►CGC Offsite Options (activities generally related to a specific group of people):

- Senior ladies luncheon
- teenXtreme Ministries activities (youth)
- CMI Badgers activities (campus ministry)
- College Church
- Christmas caroling

►Community Outreach specific happenings:

- Touched Twice
- Outdoor Movie Night
- Farmer's Market on the Square
- Food Drive

*** Virtual activities are being discussed as a potential option. Stay tuned for more info on this.*

We have a lot of great things going on at CGC and want to let the community know of happenings that might be of interest. If you have something going on that you would like to share with the folks of Dane county, please let us know! If it's a good fit, we would love to help you get the word out!

We need your help in the following areas:

- Submission of activities to be posted on CGC CC - This would be done by a ministry head or others involved in activities of interest to the public
- Photos from events/activities-

If you are at a posted activity/event, and have taken photos you would like to submit, please contact an administrator

- Interaction on Facebook
- Feel free to comment and put things out there that you think would be of interest to the general public, community events, happenings, etc.
- Share ideas on how to make CGC CC better! Please contact an administrator with your ideas.

To submit an event or activity, please provide the following via Facebook to Julie Carnes-Puckett OR Brenda Puckett Rehbein:

Name of person CGC CC staff may contact with questions regarding event details

- How to contact above person regarding details – email address and/or Facebook name needed
- Event information:
 - Name of event
 - Date(s)/time of event
 - Location of event
 - Contact person for event (this information will be put on CGC CC for those interested to contact you unless you decide otherwise)
 - Any other pertinent information

Please feel free to contact us with any questions. Thanks!

A Day of "Christmas Miracles"

On Sunday, December 19, we enjoyed CGC's annual Christmas services. On Sunday morning, the "Redemption" praise team sang seasonal choruses and classic Christmas carols while Tim and Liandra Powell read various Biblical passages depicting our Savior's birth. On Sunday evening, CGC's mass choir sang beautiful choruses including the "Pentecostal versions" of Silent Night, White Christmas, and Joy to the World.

A group led by Ben and Stephanie Thompson presented a play authored by Sis. Stephanie entitled "Mary, Did You Know." The lyrics of this beautiful song came to life.

*Mary, did you know your baby boy:
Will one day walk on water?
Will save our sons and daughters?
Has come to make you new?
Will give sight to a blind man?
Will calm a storm with His hand?
Has walked where angels trod?
Is Lord of all creation?
Will one day rule the nations?
Is heaven's perfect lamb?
This sleeping child you're holding, is
the great I AM.*

Other ministries taking place at CGC include:

- The Wednesday night youth service, Ignite, where attendance is 30 to 40 in each service. We have a solid youth ministry under the very capable leadership of Rev. Phil and Fiona Demos.
- Voces Unidas, our bi-lingual daughter church, which is growing under the new leadership of Rev. John and Terry Seidl.
- Christian Intervention Program held each Sunday at 4:00 p.m. at Calvary Gospel Church. In the nine years CIP has been in place here under the leadership of Audrey and James Hawk, over 4,000 people have been affected by this ministry and close to 700 people baptized and filled with the Holy Ghost.

God is doing great things through committed Christians, and it is not the time to slow down. It is time for us to accelerate in the new year, winning souls. We are closer to the coming of the Lord than we have ever been!

2011*(Continued from page 1)*

Faith Promise services with Rev. Jack Leaman, which will be held January 9. CGC supports 92 missionaries: foreign, home, metro, and AIM workers. Pledges will be taken at that service, and it is vital that pledges be maintained, because these missionaries depend on us to fund their work in reaching the world. Bro. Grant's pledge goal for CGC is \$150,000 (per year). Offerings have not been covering CGC's commitments to these missionaries and are being paid out of our general fund. Please pray about what the Lord wants you to give to support our missionaries.

Plans for a new building are being redeveloped with an eye to reducing the cost of building. Our growth demands more space and we must begin building soon. The new plans will be shared during Sunday services as soon as they are available.

Our purpose is to win souls. Our power is in Jesus Christ. Our reasonable service to Him is personal sacrifice. Our reward is eternity with our great God and Savior. This next year will be great!

pers at least three times, complete with pictures.

Ashley's success working with disadvantaged youth stems from her God-given calling to win the lost, particularly youth. She has a heart of gold, seemingly unlimited energy, and faith that fuels action to love the lost and bring them to Jesus.

As a school district employee and as a pastor's wife, Ashley lets the light of Jesus Christ shine through her, bringing Him glory. We are proud to call her "our own."

(Accomplishment in ministry is a family trait. Ashley's sister, Renee, developed the very successful Deaf ministry at CGC and is active in district level Deaf Ministry as well. Renee is also an anointed altar worker, and sometimes helps her parents give altar work clinics. She, too, is tireless in her calling and greatly used by God. We owe a large debt to the Thomas family for their giving hearts and willing hands.)

TEST YOUR BIBLE KNOWLEDGE

A new year, a new month, and a new decade is upon us. It seems to help us to periodically inventory where we are. For this month's HBS Corner, we decided to have a bit of fun. We have put together some questions we feel most of you should be able to answer; sort of a pop quiz about the Bible.

If you are relatively new at Calvary Gospel Church, these are some of the things you should have learned if you participated in a home Bible study. If you can't come up with answers, maybe it's time for you to get involved in a home Bible study. The answers can be found following the questions.
