Home Bible Study

Attention ALL Bible Study Teachers

We have recently created a spreadsheet of all Bible Studies currently being taught at CGC.

The Pastoral staff would like to have the Bible Study information updated monthly.

Christina Vega will be coordinating this and needs the help of EVERY Bible Study Teacher. So, if you are currently teaching a Bible Study, she needs to know a couple things by the **15th of every month**:

- 1) *How many students are you teaching?*
- 2) *Who are you teaching?*

Updates can be submitted either of the following ways:

Email: cgcbsministry@gmail.com
Call or text Christina Vega at (608) 750-0024

Since this is a new request, a reminder will be sent to you prior to the deadline.

Please contact Christina Vega or Dan O'Brien if....

- You are currently teaching a Bible Study and you have not been in contact with us.
- Your name is not on the Pastoral approved list of Bible Study Teachers.
- You are interested in teaching a Bible Study.
- You are interested in receiving a Home Bible Study.

Thank you all for your help in making the Bible Study Ministry an active tool for Revival.

First Monday night of each month, the ladies have a prayer meeting at church from 7:00-8:00. All ladies are welcome.
