~ OR ~ sign up via Facebook!

Signing up is required as there is a maximum number that can play.

### WI DISTRICT UPCI HYPHEN EVENT

On March 11-12, Wisconsin Youth Ministry is hosting a **first ever** Hyphen Conference at CGC in Madison. Hyphen is designed for those ages 18-30. WYM is endeavoring to partner with the local church to help the young adults of Wisconsin find their place in the ministry, get the tools to become more effective in that ministry, and ultimately help them to become more utilized in their gifts and talents. This is an untapped age group that has tremendous potential. Young adults will not want to miss this conference. SEE PHIL DEMOS TO REGISTER.

For pre-registration of only \$10, monies and registration forms need to be postmarked by February 28 (**this Monday!!!**). You can also register at the door for \$15.
