The Images of Mother

- Age 4 My Mommy can do anything!
Age 8 My Mom knows a lot...a whole lot!
Age 12 My Mother doesn't really know quite everything.
Age 14 Naturally, Mother doesn't know that either.
Age 16 Mother? She's hopelessly old-fashioned.
Age 18 That old woman? She's way out of date!
Age 25 Well, Mom might know a little bit about it.
Age 35 Before we decide, let's get Mom's opinion.
Age 45 Wonder what Mom would have thought about it?
Age 65 Wish I could talk it over with Mom.

My Dear Child

I can...

Teach you things
Give you directions
Allow you freedom
Take you to church
Teach you right from wrong
Buy you beautiful clothes
Offer you advice
Give you love
Teach you to respect
Advise you about friends
Advise you about sex
Tell you about the facts of life
Tell you about drink
Warn you about drugs
Tell you about lofty goals
Teach you about kindness
Warn you about sins
Love you as a child
Pray for you
Teach you about Jesus
Tell you how to live
Love you unconditionally all my life...and I will.

But I cannot...

Make you learn
Be there to lead
Account for it
Make you believe
Always decide for you
Make you beautiful inside
Accept it for you
Force it upon you
Force you to show honor
Choose them for you
Keep you pure
Build your reputation
Say "no" for you
Prevent you from using them
Achieve them for you
Force you to be gracious
Make you moral
Place you in God's family
Make you walk with God
Make Jesus your Lord
Give you eternal life

*With all my love,
Mom*
